Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Instead of Socialism: And Papers on Two Democratic Delusions Just as Christians, in all ages, have confused Christianity with what is not the teaching of Jesus of Nazareth, so have Socialists confused Socialism with what is not Socialism. In the following papers I have avoided attributing to Socialists sentiments which are no more peculiar to them than to many of their opponents. It is no argument to talk of Brotherhood and Altruism as characteristic of Socialism. It is likewise no argument to assert, as many Socialists do, that Socialism is synonymous with Christianity. Socialists may, or may not, be brotherly and altruistic. They may, or may not, believe Christianity to be synonymous with Socialism. But all this does not define Socialism for us. It is as illogical to credit Socialism with the intentions and beliefs of some Socialists as to credit the Roman Church with the virtues of some of its saints.
