The Mermaid. If Celeste Ashton hadn t needed money to save her grandmother s seaside estate, she would never have published her observations on ocean life and the dolphins she has befriended. So when her book bursts upon the London scene, making her an instant celebrity, she is unprepared for the attention.especially when it comes from handsome scientist Titus Thorne. While Titus suspects there is something fishy about her theories, Celeste is determined to be taken seriously. Soon their fiery clashes create sparks neither expects, not least when Celeste dares Titus to let her give him a personal tour of the world she knows so well.
