

Jewish Poland: Legends of Origin - Ethnopoetics and Legendary Chronicles (Hardback)

Filesize: 2.85 MB

Reviews

Extremely helpful to all class of individuals. It really is written in straightforward terms instead of difficult to understand. I am just happy to explain how this is the finest publication I have got read inside my own lifestyle and might be the very best ebook for possibly.

JEWISH POLAND: LEGENDS OF ORIGIN - ETHNOPOETICS AND LEGENDARY CHRONICLES (HARDBACK)

[DOWNLOAD](#)

Wayne State University Press, United States, 2001. Hardback. Condition: New. Language: English . Brand New Book. The first appearance of Jews in Poland and their adventures during their early years of settlement in the country are concealed in undocumented shadows of history. What survived are legends of origin that early chronicles, historians, writers, and folklore scholars transcribed, thus contributing to their preservation. According to the legendary chronicles Jews resided in Poland for a millennium and developed a vibrant community. Haya Bar-Itzhak examines the legends of origin of the Jews of Poland and discloses how the community creates its own chronicle, how it structures and consolidates its identity through stories about its founding, and how this identity varies from age to age. Bar-Itzhak also examines what happened to these legends after the extermination of Polish Jewry during the Holocaust, when the human space they describe no longer exists except in memory. For the Polish Jews after the Holocaust, the legends of origin undergo a fascinating transformation into legends of destruction. Jewish Poland -- Legends of Origin brings to light the more obscure legends of origin as well as those already well known. This book will be of interest to scholars in folklore studies as well as to scholars of Judaic history and culture.
