*Completely essential read publication. It is really basic but excitement in the fifty percent of the book. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about in the event you ask me).

Washington Square Press, 2018. Paperback. Condition: New. Language: English . Brand New Book. Named a Must-Read by Town Country * Elite Daily * InStyle The love child of Gossip Girl and Crazy Rich Asians, plus the social climbing of a Gatsby party. --Refinery29 In the tradition of The Emperor's Children and The House of Mirth, the forgotten granddaughter of one of New York's wealthiest men is reunited with her family just as she comes of age--and once she's had a glimpse of their glittering world, she refuses to let it go without a fight. When Laila Lawrence becomes an orphan at twenty-three, the sudden loss unexpectedly introduces her to three glamorous cousins from New York who show up unannounced at her mother's funeral. The three siblings are scions of the wealthy family from which Laila's father had been estranged long before his own untimely demise ten years before. Two years later, Laila has left behind her quiet life in Grosse Point, Michigan to move to New York City, landing her smack in the middle of her cousins' decadent world. As the truth about why Laila's parents became estranged from the family patriarch becomes clear, Laila grows ever more resolved to claim what's rightfully hers. Caught between longing for the love of her family and her relentless pursuit of the lifestyle she feels she was unfairly denied, Laila finds herself reawakening a long dead family scandal--not to mention setting off several new ones--as she becomes further enmeshed in the lives and love affairs of her cousins. But will Laila ever, truly, belong in their world? Sly and sexy, *She Regrets Nothing* is a sharply observed and utterly seductive tale about family, fortune, and fate--and the dark side of wealth.
