Bibliogov, United States, 2012. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.ERS sponsored a workshop, Technological and Structural Change in the Transportation Sector: Effects on U.S. Food and Agricultural Trade, March 17-18, 1999, in Washington, DC. The program s objectives were to raise awareness within ERS about the role and importance of transportation in U.S. food and agricultural trade and to discuss the need of an agency research agenda in this area. More than 60 people attended. Bob Thompson of the World Bank and Jeffrey Frankel of the Brookings Institution led with discussions about the role of transportation in the global food system and the importance of integrating geography and transportation in analysis of international trade. Other panels dealt with transportation technology, past and future, the changing policy environment for ocean shipping, logistical and technological developments aiding exports of specific commodities, including the use of supply chain management. Representatives of the Agricultural Marketing Service discussed the availability of transportation cost data, and the availability of other shipping data was discussed by representatives of the PIERS database, a product of the Journal of Commerce. Two ERS research projects were summarized,...

The ideal pdf i at any time go through. It is really basic but unexpected situations from the fifty percent of your pdf. Its been designed in an extremely easy way and is particularly only after i finished reading this pdf through which really changed me, alter the way i really believe.

-- Prof. Kendrick Stracke

This kind of pdf is every little thing and taught me to looking forward and more. It is one of the most incredible book i have read. You wont truly feel monotony at whenever you want of your time (that's what catalogs are for about should you check with me).
