Whether you own one or are close with someone who does, its pretty easy to recognize the importance of the penis. But in fact there is next to no reliable information on nearly every mans and many womens favorite little friend. Now, in Dick, two women doctors boldly provide readers with a much-needed handbook that guides, educates, and dispels all the common misconceptions about the penis. In open and direct language interspersed with humorous word play and funny anecdotes, Drs. Michele Moore and Caroline de Costa thoroughly describe the anatomy, functions, proper hygiene, safety, and effective handling of the most friendly male appendage. Other key topics include: size (does it matter), condoms, sex, premature ejaculation, as well as infections, infertility, injuries, and cancer. Written for both men and women, young and old, Dick promises to teach, entertain, and demystify for the benefit of everyone involved. Including real-life stories taken from the authors own medical practices, Dick offers a comprehensive, practical, and entertaining guide to the penis and all its ups and downs. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
