BLOODAXE BOOKS LTD, United Kingdom, 2018. Paperback. Condition: New. Language: English . Brand New Book. Ten: poets of the new generation presents the work of ten exciting British poets from diverse backgrounds. It is the third anthology from The Complete Works poetry mentoring scheme, a national programme supporting exceptional black and Asian poets founded by the writer Bernardine Evaristo in 2007. Already making a big impact on the British poetry scene, poets from the series have included Sarah Howe, the 2016 winner of both the T.S. Eliot Prize and the Sunday Times Young Writer of the Year Award; Mona Arshi, winner of the Forward Prize for Best First Collection 2016; and Warsan Shire, who collaborated with Beyonce on her visual album, Lemonade in 2016, which featured many of Shire s poems. This latest anthology in the Ten series will not disappoint readers hoping to discover more exceptional talent. It includes poets with even more diverse backgrounds ranging from Somalia and Nigeria through to Jamaica and the multiculturalism of Macau, and features the first poet from Latin America. These are poets who interrogate race and explode any ideas of a page/stage divide. Fierce, unexpected, sometimes beautiful and always passionate, here are ten poets to savour and enjoy. The poets included are: Raymond Antrabus, Natacha Bryan, Leonardo Boix, Victoria Adukwei Bulley, Will Harris, Ian Humphreys, Jennifer Lee Tsai, Momtaza Mehri, Yomi Sode and Degna Stone. The Complete Works III is directed by Dr Nathalie Teitler, with thanks to Arts Council England for their generous funding. Copublication with The Complete Works III.
