HarperCollins Publishers Inc, United States, 2001. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Water is always flowing. It runs down your street after a rainstorm, or trickles in a brook near your house. The brook may join a stream, which feeds into a river, which winds its way to the ocean. What a journey! You can follow the water on its long journey to the ocean and learn how water shapes the earth, how people use water, and why it s important to keep our water clean.
