Reviews

This publication might be well worth a read, and much better than other. It really is simplified but excitement inside the 50 % of the book. You will not feel monotony at whenever you want of the time (that's what catalogues are for concerning when you check with me).

INK ZERO

Ink Zero Press, United States, 2015. Paperback. Book Condition: New. 234 x 156 mm. Language: English . Brand New Book ***** Print on Demand *****.The origin of the term ink zero was the result of a brainstorming session we had towards the end of my September 2014 visit: to create calligraphic (shodo) brush-stroke paintings in the Japanese style, using sumi-e ink on drawing paper. These works likewise appear here. It s our hope that the joy and creative friendship we ve experienced in weaving our hearts and minds together with poetry and visual art communicate both the spontaneity and the successive series of excessively late nights which have hatched this project. Without the energy and flow-the mysterious threading and wending of collaborative friendship-we would have each produced separate works. Instead, we find our combined effort approaches an alpha and omega of mutual lives: living whole, and for the day. It s this poignant and ephemeral spirit we wish to share, and offer our experiment here as one possible approach to haiku publication. Richard Gilbert March 17, 2015.
