Penguin Publishing Group, United States, 2004. Paperback. Book Condition: New. New.. 193 x 119 mm. Language: English . Brand New Book. The forgotten classic that launched the career of one of America's greatest playwrights! It took more than fifty years for *The Man Who Had All the Luck* to be appreciated for what it truly is: the first stirrings of a genius that would go on to blossom in such masterpieces as *Death of a Salesman* and *The Crucible*. Infused with the moral malaise of the Depression era, the parable-like drama centers on David Beeves, a man whose every obstacle to personal and professional success seems to crumble before him with ease. But his good fortune merely serves to reveal the tragedies of those around him in greater relief, offering what David believes to be evidence of a capricious god or, worse, a godless, arbitrary universe. David's journey toward fulfillment becomes a nightmare of existential doubts, a desperate grasp for reason in a cosmos seemingly devoid of any, and a struggle that will take him to the brink of madness. This Penguin Classics edition includes an introduction by Christopher Bigsby. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
