Reviews

It is just one of my personal favorite publications. It is among the most awesome publications I have read. It is extremely difficult to leave it before concluding, once you begin to read the book.

SIMON SCHUSTER, United States, 2016. Paperback. Book Condition: New. Export. 209 x 139 mm. Language: English . Brand New Book. From the award-winning and New York Times bestselling author of Five, Six, Seven, Nate! and Better Nate Than Ever comes a laugh-out-loud sad YA debut that s a wry and winning testament to the power of old movies and new memories-one unscripted moment at a time. Quinn Roberts is a sixteen-year-old smart aleck and Hollywood hopeful whose only worry used to be writing convincing dialogue for the movies he made with his sister Annabeth. Of course, that was all before-before Quinn stopped going to school, before his mom started sleeping on the sofa.and before Annabeth was killed in a car accident. Enter Geoff, Quinn s best friend who insists it s time that Quinn came out-at least from hibernation. One haircut later, Geoff drags Quinn to his first college party, where instead of nursing his pain, he meets a guy-a hot one-and falls hard. What follows is an upside-down week in which Quinn begins imagining his future as a screenplay that might actually have a happily-ever-after ending-if, that is, he can finally step back into the starring role of his own life story.
