It had been clear from the beginning, that Emma, Eli and Evey Wilson would be tied together by more than just a name and the blood that flowed through each of their veins. They would be bound for life by the secrets of their past and the lies that kept them hidden. After a fire devoured their family home and left them orphaned at an early age, Emma, Eli and Evey found themselves being raised by their grandfather and learning the ropes of life on the ranch. A life that quite suited Emma and Eli, but left Evey desperate to seek out a way to escape and run off to the big city. An escape she soon found in Preston Mercer. As Pandora's Box was opened for the second time in 25 years, the sisters prepared for what would be their greatest battle yet. Would Evey be able to escape Preston's wrath? Would Emma be able to face the monsters of her past? Would Eli find a way to heal the scars that had not only bound her body but shackled her spirit? And, most importantly, would there be room amongst the skeletons to hide another body? Join them on their journey, as they...
