Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****.Traite avec humour et delire, cette histoire ravira les amateurs du genre. La Ville-Vampire traite du theme des vampires, qui representent les forces du mal dans la societe. Mais le style est deliberement grand-guignolesque, car ce roman est un pastiche cocasse, grotesque, echevele et original.
