Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Slip-ups and the Dangerous Mind: Seeing Through and Living Beyond the Psychopath is a practical approach for understanding and dealing with the deviant individual who would charm you with one face and victimize you with the other. In a world filled with selfish psychopaths you must ultimately deal with his or her multiple strategies and avoid being manipulated. This book allows you to identify the characteristics of the psychopath, pick out the lies and story telling, and expose his or her true personality. You may feel defeated by the psychopath at work, in business, in love relations, at school, or at home, but with careful observation and knowing their motivations, you can defeat their threats, avoid their captivating appeals, and learn to avoid their lack of empathy and lack of remorse, see their narcissism, and not confuse the psychopath's grand vision with motivations to take your time, energy, and money. Many cues give them away, including unusual sentence structure, moral failings, aggression and callousness, lies and contradictions, body language, false love, and inability to complete tasks. The reader can learn how to counteract their missions to deceive and hurt, first by admitting to their deceptions before it is too late, and second by folding the cards in a losing game and moving on down the road. Keep in mind that one can not teach them to be principled or moral in their dealings. Sometimes it's better to get out of bad situations before they get worse. It is still true, however, that social and economic change is often initiated by the psychopathic personalities, and but for their ceaseless obsessions we would still be drawing animal pictures on...
