## TURKEY RAISING IN CALIFORNIA (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Turkey Raising in California Turkey production in the United States first started along the Atlantic Seaboard and has gradually come westward. Turkey growers have ever been fearful of things mechanical and even after artificial hatching had again and again been demonstrated they were reluctant to believe that artificial...
