Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This debut collection of poetry and short prose by Tiffany Burba captures her real and imagined New York City adventures of love, lust, museums, jazz, food, and running in Central Park. She has an amazing love affair with the City and its inhabitants stretching from Brooklyn to Queens, the Bronx to Manhattan, and all points between and beyond. Living on whiskey kisses, a subway pass, and everything from pizza to soup dumplings, this poet fills and breaks her heart and ours along the way. Meet Me Where I Left You explores her arrivals and departures, her dreams of leaving Pacific Northwest forests for the taxi rides and street grime of NYC, her love of family and friends, and her unashamed quest for passion.
