

## Readers Liberation: The Literary Agenda (Paperback)

By Jonathan Rose

Oxford University Press, United Kingdom, 2018. Paperback. Condition: New. Language: English . Brand New Book. The Literary Agenda is a series of short polemical monographs about the importance of literature and of reading in the wider world and about the state of literary education inside schools and universities. The category of the literary has always been contentious. What is clear, however, is how increasingly it is dismissed or is unrecognised as a way of thinking or an arena for thought. It is sceptically challenged from within, for example, by the sometimes rival claims of cultural history, contextualized explanation, or media studies. It is shaken from without by even greater pressures: by economic exigency and the severe social attitudes that can follow from it; by technological change that may leave the traditional forms of serious human communication looking merely antiquated. For just these reasons this is the right time for renewal, to start reinvigorated work into the meaning and value of literary reading. For the Internet and digital generation, the most basic human right is the freedom to read. The Web has indeed brought about a rapid and far-reaching revolution in reading, making a limitless global pool of literature and information...
