Using Nursing Research to Shape Health Policy (Paperback)

By -

Springer Publishing Co Inc, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Examining the crucial interrelationship between nursing research and health policy, this book presents examples of specific health care policy that has been influenced, implemented, or changed as a result of nursing research. It builds on the discussion of this relationship as described in the editors earlier book, *Shaping Health Policy through Nursing Research*, named a Doody's Core Title in 2013 and an AJN Book of the Year in 2011. This current edition updates earlier information with new nursing research by esteemed scholars. It encompasses research related to major policy statements of the decade, including the IOM Future of Nursing report, the Affordable Care Act, and the Blueprint for Genomics in Nursing, and highlights how they have influenced, and will continue to influence, health policy. Written for multiple audiences including undergraduate and graduate students, faculty, and nursing professionals, the book presents information on how science shapes health policy in general, models and strategies for linking research and health policy, and multiple examples of how major nursing research has influenced health policy. The text provides both a conceptual orientation and an operational approach to strategies...

Reviews

Absolutely among the best publication I have got at any time go through. It really is written in straightforward phrases rather than hard to understand. Its been designed in an extremely straightforward way which is just soon after i finished reading this publication through which basically modified me, alter the way i believe.

-- **Mrs. Velda Tremblay**

These kinds of ebook is the ideal book readily available. Better then never, though i am quite late in start reading this one. You may like the way the blogger publish this ebook.
