Reviews

Great eBook and useful one. it was actually writtern really completely and useful. You are going to like the way the article writer publish this publication.

(Prof. Ernestine Emard)

GENTLY TO THE SUMMIT

Robinson, London, 2011. Paperback. Book Condition: New. 12mo - over 6¾" - 7¾" tall. Brand new. Mountaineer Reginald Kincaid disappeared during an expedition to climb Mount Everest. His body was never recovered, lost on the mountain slopes like so many other casualties of the quest for the world's highest peak - so it comes as a shock to his fellow climbers when he turns up again 22 years later. Is this man really Kincaid? How could he possibly have survived? The mystery invokes suspicion when Kincaid's climbing partner on the Everest attempt, Arthur Fleece, falls to his death on Mount Snowdon. A feud that had erupted between Fleece and the resurrected Kincaid sparks a murder investigation for George Gently with a 'dead' man as the prime suspect.
