Renewable Angst Publishing, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. **New edition includes the short story, Right, by Raspberry L. Granby.** A cool breeze blew up the hill from the forest, and with it, something like a song. Just the tease of a melody that curled around a single word, a question. Home? Though her father tries to paint their sudden move to her aunt s hill house as a grand adventure, Raspberry Lynette Granby knows the truth: with his cancer progressing and her mother long gone, he s preparing his sister to become Berry s caregiver. So she escapes, first into the familiar - books, and then into the unfamiliar - a storybook forest at the bottom of the hill. There she meets a mysterious girl who is something out of a fairytale herself - and not necessarily the happy-ending kind. Equally intrigued and frightened by the strange magic of the forest, Berry finds herself caught between wanting to forget, and hoping for a miracle.
