Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****.Ce manuel est la reedition, revue et corrigee, de la version en langue francaise du Manuel de lutte suisse de Rudolf Scharer, qui fut edite pour la premiere fois en allemand, en 1864. Il demeure encore aujourd'hui le seul manuel de lutte suisse. Ses explications techniques sont enrichies de dessins presentant tous les tours (ou prises) de ce celebre sport national helvetique dont les origines sont si lointaines qu'aucun historien ne peut les situer avec certitude. Les editions originales du Manuel de lutte suisse par Rudolf Scharer sont extremement rares aujourd'hui, au point qu'il n'en existe plus que moins de dix exemplaires connus dans le monde, tous detenus par des bibliotheques publiques. Cependant, cette premiere edition souffrait d'une mauvaise redaction qui rendait ses descriptions de tours de lutte suisse difficiles a comprendre. Le texte de cette reedition de 2015 a ete entierement revu et reecrit, ce qui en fait un ouvrage qui interesse tous les amateurs de ce sport, et plus encore ses adeptes. Car, a ce dernier egard, son interet est a la fois pratique et historique.
