Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Furnandez triplets are finding third grade a lot tougher than second-sometimes they have so much homework, they have to miss watching their favorite television hero, Captain Aventura. Unlike his more hardworking brother and sister, Sherman and ZZ, Oscar often finds himself daydreaming when he should be studying. One day after school, Mr. and Mrs. Furnandez take the triplets to their office at the Intergalactic Animal Space Program (IASP). While their parents attend an important meeting, the kittens are allowed thirty minutes to play before starting on their homework. Oscar, however, gets lost in his imagination and fails to do one lick of his assignment. When his father catches him still playing, Oscar blurts out a lie so he doesn't get in trouble. Soon he has to tell more and more lies to cover his tracks. Just how far will the little kitten go to avoid being punished for something he did wrong? A heartwarming and humorous tale in the vein of The Berenstain Bears, The Pawtown Pals: The Case of the Four-Toed, Two-Fingered Homework Eater teaches kids the importance of hard work and honesty, and how our actions can hurt or help others.
