THE SPLENDID DECEPTION--2014: THE TRUE PATHETIC CRIME STORY OF A NUBILE TEENAGE DAMSEL IN DISTRESS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Sri Lankan Police discover dismembered parts of a male human body without its head and penis dumped in marshy waterways, dilapidated muddy canals and abandoned deep wells in the Western Province of Sri Lanka in early part of year 2015. With the help of the DNA tests, they find that all these dismembered limbs belong to one and the same person. Due to immense publicity given on the mass-media about this murder and of the suspected missing persons, a married woman with her young son come to the Police and nearly identifies this reconstructed human body although minus its head and claim that the body might be of her missing husband, 35 years old Neil De Lanerolle, a Senior Computer Engineer and Lecturer in Software Engineering. Tallying the dead man s DNA with that of his son proves that the corpse is that of Neil De Lanerolle. The Police find that Neil was a Casanova and a covert womanizer who approached young girl students who attended his private Software Engineering lessons given free of charge but latently with sexual favours. They also find that a 19 year old girl-student named Stella is his current victim who falls in love with him quite unaware that he was married and desires to marry him once she completes her SE degree. The Police believe that Stella is the last person seen with Neil on a fateful Saturday when Neil disappeared and subsequently found murdered and Stella is taken into Police custody as an alleged suspect of Neil s murder. However, the Police presume that Stella is incapable of committing the murder of Neil single-handed and suspect that there may be other accomplices...
