The Benefits and uses of a Wedding Photo Album Wedding Albums - Digital may be In but Traditional is enduring In this modern age of digital photography there seems to be less interest in having a tangible wedding album to keep around for memories. Photographers wrangle the newlyweds into buying the newest digital package with CDs/DVDs and other whatnots. But what about having your hands on old-fashioned if I dare say photos Nothing can still beat the traditional wedding album as a keepsake. It is a wonderful item to have on the shelf or coffee table. It makes for a conversation maker and guests at your home can pick it up at their leisure if they so choose. Breaking out a DVD and popping it in seems so pretentious of an exercise that it would be downright embarrassing. This item ships from multiple locations.
