A warm and comprehensive child-centered approach to early childhood education Who Am I in the Lives of Children? An Introduction to Early Childhood Education presents a constructivist approach to early childhood education (birth to grade 3) and care programs that is dedicated to the development of the whole child-physical, social, emotional, and intellectual. With its practical orientation; personal voice; appealing photographs, videos, authentic children's classroom work; and engaging stories, it allows readers to visualize effective classroom practices. Aspiring educators are encouraged to learn about each child's strengths, interests, and challenges. This understanding, coupled with contemporary, research-based information, inspires readers to support each child's growth and learning in ways that are in harmony with who they are, rather than according to a predetermined plan. The Enhanced Pearson eText features embedded video and assessments. Improve mastery and retention with the Enhanced Pearson eText\* The Enhanced...
