

Gospel of the Living Dead: George Romero s Visions of Hell on Earth (Hardback)

By Kim Paffenroth

Baylor University Press, United States, 2006. Hardback. Condition: New. Language: English . Brand New Book. Winner of the 2006 Bram Stoker Award, Gospel of the Living Dead connects American social and religious views with the classic American movie genre of the zombie horror film. For nearly forty years, the films of George A. Romero have presented viewers with hellish visions of our world overrun by flesh-eating ghouls. This study proves that Romero s films, like apocalyptic literature or Dante s Commedia, go beyond the surface experience of repulsion to probe deeper questions of human nature and purpose, often giving a chilling and darkly humorous critique of modern, secular America.

Reviews

Totally among the best publication I have ever go through. This really is for all those who statte that there had not been a well worth studying. I am just very happy to let you know that this is actually the very best pdf we have go through inside my very own daily life and could be he very best ebook for actually.
