This item is printed on demand - Print on Demand Neuware - Kenya is the economic hub to east and Central Africa and any player interested in this region, must appreciate the strategic location of Kenya in trade. The hair industry has played on the fear of looking ugly as much as on the pleasure of looking beautiful, drawing on the new science of psychology to convince women that an inferiority complex could be cured by a change of hair. Even then, ruthlessness and outright quackery lurked behind the façade.
