Mystic Ink Publishing, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Bravo! More! from Ray Bradbury for Matthew J. Pallamary's short stories. A Short Walk to the Other Side is a second short story collection of supernatural, metaphysical, science fiction, and horror stories following *The Small Dark Room of the Soul* by multiple award winning author Matthew J. Pallamary, which examines the shadow side of human nature. *Award Winning Finalist - International Book Awards!* Who are we really? What or where are the boundaries between what we believe to be real and what we imagine? Ancient tribal cultures gave equal credence to dreams, visions, and their waking worlds, treating them all as different degrees of one and the same all-encompassing reality. Do we in fact know ourselves or our true nature? How many times have we reacted impulsively, only to regret our actions later, often with the apology, I'm sorry, I'm not myself today, or I don't know what got into me. In these moments of intense feeling, if we are not ourselves, then who or what are we? Where do we really live? The fact that the question arises makes the other implicit within ourselves. What is this other? Duality? Plurality? Divided self? Are we possessed by something other than ourselves or are we in denial of our other selves because we find their behavior unacceptable? Do we possess them or do they possess us? This quandary became the theme of an old time radio show that started with: Who knows what lurks in the hearts of men? The Shadow knows. How well do we know our shadows as individuals and collectively? Better still, how well do our shadows know us? Regardless of who is...
