BRILLIANCE AUDIO, United States, 2014. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. Mari Prothero grew up in a tiny fishing village on the west coast of Wales where she lived alone with her father, Daffyd, a master fisherman. Although the sea had never harmed her father, Mari still worried, for her mother and older brother had been drowned by a rogue wave when she was just an infant. Her father was all she had left, and Mari was not blind to the possibility of losing him. Mari and her father kept to themselves in their village. It would not be wise to call attention to how much more prosperous the Protheros were than any other fisherman s family; Daffyd was out in every storm, pulling in fish where no other man could, and his fish were always the fattest, the tastiest. But their unusual good fortune was not the only reason for their reclusive behavior. For as long as she could remember, Mari had seen things things that shouldn t, that couldn t be real: tiny manlike creatures that were mischievous and wore only seaweed, and tiny beings that spoke to her kindly but seemed to be made of water. When she was a child, she had asked her father about these creatures, but Daffyd was so upset by these conversations that Mari had given up trying to talk to him. But on the morning of her eighteenth birthday, her father finally told her the great secret of the Prothero Luck and what they must do to keep it. Her mother and brother were not truly dead, but neither were they human. They were shape-shifters of the sea, the half-human, half-seal people known as the Selch, and they had returned to their watery domain....
