At the present time a private, class 1, of the fire department, that is, the entering man, gets \$960 a year, which is \$2.68 a day, or 22 cents an hour, as against 51 cents an hour for a motorman on the street cars. Privates of class 2, which is high privates, we ask for him \$+.1)3 a day. He now gets \$3.12 a day, \$1,140 a year, which is 20 cents an hour, as against 51 cents an hour for motormen. We are asking in our scale for captain, \$2,250 a year, or \$6.17 a day. He now gets \$4.10 a day. 34 cents an hour, as against 51 cents an hour for the motorman. Now, I draw that comparison because I once served in the same engine house where I am when...
