SOME COLONIAL MANSIONS AND THOSE WHO LIVED IN THEM (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Some Colonial Mansions and Those Who Lived in Them IN the following pages the plan pursued in the first volume of Some Colonial Homes and those who lived in them, has been closely followed, the only deviation being the introduction of homes of national fame, as Mount Vernon and Monticello. The great interest attaching to these is, perhaps, a sufficient apology for turning for a moment from the humbler to the greater folk, and for introducing, in one instance - that of Monticello - a residence finished only some years subsequent to that period at which all things Colonial are supposed to terminate. The reader, however, will find many examples of several periods of earlier architecture, and all such houses have a story worth the telling. There is, indeed, scarcely a house standing now, built during Colonial days, that is not, in one way or another intimately connected with some person, the actor in an important event in the history of our country.
