

The Tale of Khun Chang Khun Phaen: Companion Volume (Paperback)

Filesize: 5.9 MB

Reviews

A brand new eBook with a new standpoint. I have got read through and i also am confident that i will gonna read again once again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Silkworm Books / Trasvin Publications LP, Thailand, 2012. Paperback. Condition: New. Language: English . Brand New Book. Siam s folk epic of love, war, and tragedyKhun Chang Khun Phaen is one of the most famous works of old Thai literature. The plot is a love story, set against a background of war, and ending in high tragedy. This folk epic was first developed in oral form for popular performance with lashings of romance, adventure, violence, farce, and magic. It was later adopted by the Siamese court and written down, with two kings contributing. This first-ever translation is based on Prince Damrong s standard edition of 1917-18, with over a hundred passages recovered from earlier versions.This English translation is written in lively prose, completely annotated, with over four hundred original line drawings and an afterword explaining the work s historical background, social context, and poetic style. The main volume presents the entire poem in translation. The companion volume contains alternative chapters and extensions, Prince Damrong s prefaces, and reference lists of Thai terms. The volumes are available separately or as a slipcased set.According to the leading Thai linguist William Gedney, if all other information on traditional Thai culture were to be lost, the whole complex could be reconstructed from this marvelous text.
