**27 CLOSE CALLS: REAL CRIMES. REAL WOMEN. REAL SOLUTIONS. (PAPERBACK)**

Strider Inc, 2017. Paperback. Condition: New. Women s ed.. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.27 CLOSE CALLS is a very special book. It can make you or someone you love safer than they have ever been. How? By sharing stories of women who got into dangerous situations, but came out okay, and how they did it. Based on hundreds of actual close calls, it provides the best ideas on how to get safe from virtually any situation. In addition to the 27 close calls described in the book, you will discover the Close Call Method(TM), which says that every close call is a learning opportunity. By learning from both your own and other s experiences, you can be safer than even a self-defense expert. Why? Because the methods of predators are known and knowable, and when you learn them through 27 CLOSE CALLS, you can spot danger coming before it gets too close. In order to create this new safety-from-violence(TM) method, the Close Call Investigators at Strider Lab, the nation s first Safety-From-Violence(TM) lab, developed a whole new lexicon that includes heroes, safety situations, close calls (a situation in which there is imminent danger or violence that could have been worse), and hero moves. As one Police Chief said, This book is a game-changer - it will literally save lives. 27 CLOSE CALLS includes strategies and suggestions for daily living, dating, working and more for a total of seven threat areas that all adult women should know. These ideas come from not just the women themselves, but also from experienced investigators, many of whom are former police officers or federal agents. There are amazing stories that include everything from walking through a dark parking lot at night to going on an internet date to hooking...
