

Consilience Leadership: Using Innovative Ideas from Economics, Science, and Neuropsychology to Create Breakthroughs in Leading Organizations (Paperback)

By Gary Cook

Inflection Point Press, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Consilience Leadership introduces business leaders to the multitude of ways that science in all its forms is helping to transform the art of leadership into the science of leadership. What do Osama Bin Laden s death, April s deadly tornados in the southern US, the Arab Spring, and recent comments from the US Coast Guard and others about the Deepwater Disaster all have in common? They all are examples of what leaders can learn from Consilience Leadership. Cook demonstrates how lessons learned from Highly Reliable Organization theory, behavioral economics, neuroscience and other disciplines are helping us understand how to better deal with terrorism and Katrina-like disasters. You and your organization can learn to better anticipate and avoid political and other disasters by reading Gary Cook s new book.

Reviews

This publication might be well worth a read, and much better than other. It really is simplified but excitement inside the 50 % of the book. You will not feel monotony at whenever you want of the time (that's what catalogues are for concerning when you check with me).

-- Imogene Bergstrom

These kinds of pdf is every thing and helped me searching ahead and much more. It generally does not expense an excessive amount of. You wont sense monotony at at any time of your time (that's what catalogs are for regarding should you question me).

-- Prof. Angelo Graham
