Createspace, United States, 2010. Paperback. Book Condition: New. 211 x 135 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. (This story has just been updated and proofed to correct mistakes made in the first printing) I have received the transcript of a recent discovery of a here-to-fore unknown chronicle written by Dr. John H. Watson, and whether or not these pages proves to be genuine, they present a fascinating chronicle of events paralleling the lives of Dr. Watson and Sherlock Holmes. If true, then a vast store of new knowledge has been opened to us and I think will gleam as bright as a diamond to be treasured by all who hold Sherlock Holmes and Dr. Watson dear in their hearts and minds. This transcript is somewhat long and at times rambling but I believe it to be a true accounting of what Dr. Watson felt at the time it was written, and at worst, if it be a forgery, it was cleverly done and still laudable in its context. The last known writings of Dr. Watson uncovered by an London dealer in antiquities. In the reminiscing of his marriages, his steadfastness with Holmes, Watson is reunited one last time with Sherlock Holmes as he entails the surprising developments of a life sustaining substance by Sherlock Holmes. If what Holmes claims is true then the consequences of this discovery hold changes that would affect for all of humanity. The decision will be determined by Sherlock Holmes and his brother, Mycroft Holmes as they strive to outwit the forces determined to obtain the secrets of the life sustaining substance. The surprise ending of the story will leave the reader seeing Holmes in a different light.
