Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Home Study Course in Osteopathy, Massage and Manual Therapeutics Every bone, every drop Of blood, every nerve, ligament and muscle, however small and seemingly useless, has a distinct and positive work to perform, and in a normal condition it will unerringly perform that work. The human body is perfect in its plan and action, and disease is impossible except under abnormal conditions. Osteopathy teaches how to remedy the abnormal conditions and to again start this intricate machine running smoothly, with its parts all nicely adjusted, its bearings free from friction and every detail in perfect harmony with the whole. Osteopathy goes to the root of disease, the prime cause of the disorder, and as many. Of the so-called varieties of disease have one common origin, there are practically no diseases but are materially benefited or entirely cured by this form of treatment. In fact, many diseases will yield to no other form of treatment. The best results of Osteopathic treatment are, of course, obtained in cases of disease resulting from an abnormal condition of the machinery of the body, the nerves, blood vessels and fluids of the system, which effects are, almost without exception, caused by. Partial or complete displacement of bones, muscles, tissues, etc. Chronic cases, which are the despair of the drug-giving physician, are those in which the Osteopath makes his most remarkable cures, and, naturally, he prefers to treat such cases. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
