### **Reviews**

*This is the very best publication we have read through right up until now. It is one of the most incredible book we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Alfred Music, 1990. Paperback. Condition: New. Language: English . Brand New Book. Because a fine orchestra depends on fine players, Solo Time for Strings emphasizes individual accomplishment, progress, and achievement while preparing young students for participation in a school orchestra. The series teaches reading in conjunction with note learning, enabling students to start playing melodies as soon as possible, and is appropriate for class or individual instruction. The solos assist in a progressive technical development from quot;twinkle, twinklequot; in Book 1 to music by Vivaldi in Book 5.
