He wanted to test how to apply the mechanical crime-fighting eye in the sky for preventing and solving crimes. During the testing period, Jameel confided in and included his neighbor, Corey, as a part of the e-Electricus crew. A concern arose when the boys suspected foul play concerning a tragic passing of an acquaintance on Feather Hat Close. They started a private investigation to prove their theory that someone familiar with the victim is responsible for the alleged crime. A plain-clothes officer, familiar to the boys, learned about their exploration when he caught them probing for information on a private property. Can the e-Electricus team convince the detective that a crime had been committed on Feather Hat Close This item ships from La Vergne,TN. Paperback.
