A really awesome publication with perfect and lucid reasons. I was able to comprehend every thing using this published e.pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

KATALINA (PAPERBACK)

Crimson Cloak Publishing, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In the most romantic city on earth, destruction and chaos is what she leaves behind as she searches through time and space for the one whom she simply refers to as el diablo. A dark figure from her past in another life that brutally murdered her father and laid waste to her entire village, changing her forever into what she is today. Helping Katalina in her quest is Billy, the young boy whom she believes is her father reincarnated. But what she has not foreseen is a mysterious hooded figure known as The Priest, who himself has direct orders from God to take down Katalina - for the power she wields is from fallen angels. As her rage grows so does the darkness within, and soon it will be uncontrollable. Possibly putting an end to all of creation itself.
