

## Poo Knew?: Some Stuff You Might Find Interesting, Astonishing and Amusing About Poo (Hardback)

By Emma Royde

Ryland, Peters Small Ltd, United Kingdom, 2014. Hardback. Condition: New. Language: English . Brand New Book. Did you know that blue whales do the biggest poos on the planet - their daily deposits can reach up to several meters in length and are often pink in color thanks to a diet of shrimp. Or that when a dog needs to go it will align itself with the north-south axis of the Earth's magnetic poles? And did you know that the average person spends around three years on the toilet over the course of a lifetime? With so much time spent on the job, it's about time you learnt something about the process you are going through. Poo Knew? will tell you amazing facts and trivia about your deposits, such as the average human produces about 2 pounds of the good stuff every single day, or the longest dump ever recorded was 26 feet, roughly the same height as a two-storey building. After digesting this collection of over 100 fascinating facts, you'll never look at your poo in the same way ever again.
