## SPIRITUAL DIMENSIONS OF NURSING PRACTICE (PAPERBACK)

DOWNLOAD

Templeton Foundation Press,U.S., United States, 2008. Paperback. Condition: New. Revised edition. Language: English . Brand New Book. Ever since the first edition of Verna Benner Carson s *Spiritual Dimensions of Nursing Practice* went out of print, second-hand copies have been highly sought after by practitioners in the field and nursing school faculty who appreciated the comprehensive scope of the seminal work on spirituality and health. In this highly anticipated revised edition, Carson and her co-editor, Harold G. Koenig, have thoroughly revised and updated this classic in the field. The revised edition builds on the foundations laid in the first, providing perspectives on new research in the spiritual dimensions of nursing care, applying nursing theory to spiritual care, and addressing the spiritual needs of both nurses and patients. It also examines ethical issues in nursing and the impact of legal decisions on health care issues. Contributors address issues of spiritual development across the entire lifespan from the spiritual needs and influences of the very young to the elderly, including those facing chronic illnesses or death. The volume takes a similarly broad approach in addressing spiritual issues from a variety of faith backgrounds including both theistic and pantheistic religious practices, so that nurses can be prepared to meet the needs of patients from various religious traditions. Second to chaplains, nurses are the major providers of spiritual care, and no other book will serve their needs like *Spiritual Dimensions of Nursing Practice*.
