*Completely essential read publication. It is really basic but excitement in the fifty percent of the book. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about in the event you ask me).

Simon & Schuster. Paperback. Book Condition: new. BRAND NEW, The Woman in the Photograph, Dana Gynther, 1929, Montparnasse. Model and woman about town Lee Miller moves to Paris determined to make herself known amidst the giddy circle of celebrated artists, authors, and photographers currently holding court in the city. She seeks out the charming, charismatic artist Man Ray to become his assistant but soon becomes much more than that: his model, his lover, his muse. Coming into her own more fully every day, Lee models, begins working on her own projects, and even stars in a film, provoking the jealousy of the older and possessive Man Ray. Drinking and carousing is the order of the day, but while hobnobbing with the likes of Picasso and Charlie Chaplin, she also falls in love with the art of photography and finds that her own vision can no longer come second to her mentor's. The Woman in the Photograph is the richly drawn, tempestuous novel about a talented and fearless young woman caught up in one of the most fascinating times of the twentieth century.
