Three Faces Publishing, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.For well over 60 years the Palestinian people, in Israel, the West Bank, Jerusalem, Gaza and refugee camps scattered around the borders of Israel, have been suffering a slow, grinding, very deliberate, calculated and determined form of genocide. This book details one year of the human rights abuses inflicted on a host of ordinary people whose only fault is to be Palestinian. In 2015 and to this day, Palestinians have had/are having their land stolen from them by the Israeli state, in contravention of all international law. The construction of illegal settlements continues. Houses are being demolished, leaving children homeless. Palestinian water is stolen, without compensation. Adults are held without trial under a system dating back to British imperial rule. Children are arrested, beaten, interrogated without access to their parents or lawyers, tried in military courts and then held in jail in Israel. Olive trees and other crops are wantonly destroyed. Illegal settlers attack Palestinians, young and old, and their property day after day. And there s more, much more. It is hoped that this will prove a useful handbook, packed with facts, for those fighting this system of injustice. It is also hoped that it will lead to a more informed debate on the issue and more robust action to put a stop to it.
