SPECIAL FUNCTIONS THEIR APPLICATIONS (PAPERBACK)

Dover Publications Inc., United States, 1972. Paperback. Condition: New. New edition. Language: English. Brand New Book. Richard Silverman's new translation makes available to English readers the work of the famous contemporary Russian mathematician N. N. Lebedev. Though extensive treatises on special functions are available, these do not serve the student or the applied mathematician as well as Lebedev's introductory and practically oriented approach. His systematic treatment of the basic theory of the more important special functions and...
