On Demand Publishing, LLC>Create Space, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Fully illustrated. The Grand Grimoire With the Powerful Clavicle of Solomon, and Black Magic; or, The Infernal Devices of the Great Agrippa for the Discovery of all Hidden Treasures and the Subjugation of every denomination of Spirits; together with an abridgement of all the Magical Arts.The Grand Grimoire is a black magic grimoire. Different editions date the book to 1521, 1522 or 1421, but it was probably written in the early 19th century. It was authored by someone named Antonio Venitiana del Rabina who supposedly gathered this information from original writings of King Solomon. Also known as The Red Dragon, this book contains instructions purported to summon Lucifer or Lucifuge Rofocale, for the purpose of forming a Deal with the Devil.The work is divided into two books. The first book contains instructions for summoning a demon and for the construction of tools with which to force the demon to do ones bidding. The second book is further divided into two parts: the Sanctum Regnum and Secrets, de L Art Magique du Grand Grimoire (Secrets, of the magic art of the Grand Grimoire). The Sanctum Regnum contain instructions for making a pact with the demon, allowing one to command the spirit without the tools required in book one, but at greater risk. Secrets contains simpler spells and rituals one can employ after having performed the ritual in the first book.
