This is a self-help book for dyslexic (young) adults, but it is also beneficial for parents of dyslexic children and professionals who counsel dyslexics. The book gives the reader an understanding of what dyslexia is, what causes fear of failure and how these two phenomena go hand in hand. When the fear of failure is reduced, dyslexics also have less problems with their dyslexia. By perceiving dyslexia differently, dyslexics will be able to better accept their dyslexia and build a positive self-image. A positive self-image provides space and freedom in life and is a good foundation for having success. The book provides many stories and examples from dyslexics themselves to...
