Emereo Classics, Australia, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Song of Hiawatha by Henry W. Longfellow - The Original Classic Edition Finally available, a high quality book of the original classic edition. This is a new and freshly published edition of this culturally important work, which is now, at last, again available to you. Enjoy this classic work today. These selected paragraphs distill the contents and give you a quick look inside: The Song of Hiawatha is based on the legends and stories of many North American Indian tribes, but especially those of the Ojibway Indians of northern Michigan, Wisconsin, and Minnesota. .Jane was a daughter of John Johnston, an early Irish fur trader, and O-shau-gus-coday-way-qua (The Woman of the Green Prairie), who was a daughter of Waub-o-jeeg (The White Fisher), who was Chief of the Ojibway tribe at La Pointe, Wisconsin.Jane and her mother are credited with having researched, authenticated, and compiled much of the material Schoolcraft included in his Algic Researches (1839) and a revision published in 1856 as The Myth of Hiawatha. .Longfellow made no secret of the fact that he had used the meter of the Kalevala; but as for the legends, he openly gave credit to Schoolcraft in his notes to the poem.My fathers roots include Ojibway Indians: his mother, Margaret Caroline Davenport, was a daughter of Susan des Carreaux, O-gee-em-a-qua (The Chief Woman), Davenport whose mother was a daughter of Chief Waub-o-jeeg.
