Windows Home Server For Dummies

By Woody Leonhard

For Dummies. Paperback. Condition: New. 357 pages. Dimensions: 9.1in. x 7.3in. x 0.9in. If you work in an office, you probably don't lose much sleep worrying about whether your files are safe if your PC melts down. Company IT departments handle those things for business networks. But how about all those precious photos, address lists, the family genealogy, and everything else that lives on your home network? Windows Home Server can save the day if one of your personal PCs hiccups, and Windows Home Server For Dummies serves up all the stuff you need to know to put it to work. Forget everything you've heard about previous versions of Windows Server; this all-new variation has been designed for people who don't wear white lab coats or pocket protectors. Woody Leonhard has tested it and it passed with flying colors. If you have a home or small business network, this book shows you how Windows Home Server helps you: Share files among all the PCs in your home; Access your files from anywhere; Make regular backups automatically; Store files securely; Play music, TV shows, or movies on your Xbox; Share multimedia across your network; Keep your virus protection and system upgrades up to date; Get regular reports on the overall...

Reviews

This publication is wonderful. Better than never, though I am quite late in starting to read this one. I am very happy to tell you that here is the best book we have read through inside my personal daily life and could be the finest PDF for actually.

-- Ms. Sydnee Lesch

An exceptional eBook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the eBook. It is extremely difficult to leave it before concluding, once you begin to read the book.
