

Insects Bugs (Paperback)

By Liberty Dendron

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In the jungle lives an amazing array of insects: butterflies, spiders, grasshoppers, ladybugs, dragonflies, ants, flies, snails, bees, and worms. These incredible insects and bugs are ingeniously engineered. Each entry also includes, count by numbers, and how many do you see, an eye-catching ingenious looks at insects. Children love counting the bugs, and seeing the number on the same page. A positive step towards number recognition. Crafts, activities and colorful pictures, facts and information about bugs and insects for kids. This is a book about learning to count. Suits per-kindergarten This book aims to help children understand insects and to understand how intertwined our cultures have become with these alien creatures.
