Samhain Publishing Ltd, United States, 2013. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.A love prescription so potent only the hottest doctor can fill it. Miami TV reporter Francesca Lake is on a manhunt.or rather, a doctor hunt. Frankie wasn t always a hypochondriac. Her motto used to be Fear is not an option, but everything changed with her mom s near-fatal heart attack. Now a day doesn t go by where she isn t worried about something. After a harrowing incident in the hospital ER, she has a life-altering epiphany. She needs to find a marriage-minded doctor ASAP-one who will calm her fears so she can get on with her life. So begins a series of amorous escapades and startling revelations as she works her way through the list of eligibles: an outrageous Aussie sex therapist, a brilliant neurosurgeon (who s wired the wrong way), and a handsome Cuban cardiologist. None of them compares to hunky Dr. Harrison Taylor.but there s a problem. Much as Harrison s rugged physique, forest-green eyes and warm smile make her senses wobbly, she needs a people doctor, not the vet for her miniature dachshund Romeo. Besides, Harrison s propensity for crazy stunts would only make her worry more. Frankie is trying to be sensible, but her heart and her outspoken dog are conspiring against her. Warning: Contains juicy secrets and romantic misadventures between a loveable hypochondriac and three hot doctors. Side effects may include intense yearnings for a strong doctor, an adorable miniature dachshund, and an impromptu trip to sultry Miami.
